

001 · CPL

Back hug

Partner behind wraps both arms around the front. Front partner holds their forearms and leans back.

Skip: Standing side by side with a gap between you.

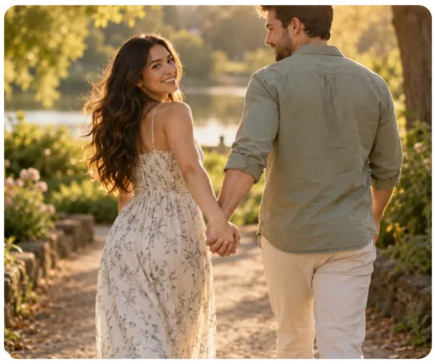

002 · CPL

Forehead touch

Face each other, close your eyes, and gently rest your foreheads together. Breathe.

Skip: Pressing hard. It's a touch, not a push.

003 · CPL

Walk and pull

Hold hands and walk away from me. One of you gently tugs the other back for a look.

Skip: Staring at the camera while walking.

004 · CPL

Nose to cheek

One partner nuzzles their nose into the other's cheek while the other smiles toward me.

Skip: Both looking at the camera at the same time.

005 · CPL

The spin

Hold one hand up high and spin your partner slowly, then pull them in close.

Skip: Spinning fast. Slow spins look better on camera.

006 · CPL

Sitting close

Sit together. One partner leans into the other's chest while the other rests their chin on their head.

Skip: Sitting with straight backs like a portrait from 1950.

007 · CPL

Almost kiss

Lean in like you're about to kiss, and stop just before. Hold it and smile.

Skip: Squeezing your eyes shut. Keep them soft.

008 · CPL

Whisper

One of you whispers something ridiculous into the other's ear. Don't tell me what.

Skip: Whispering something nice. Go weird.

009 · CPL

Piggyback

One partner hops on the other's back. Both look at each other over the shoulder.

Skip: Looking down at the ground to keep balance. Look at each other.

010 · CPL

Shared jacket

Drape one jacket over both your shoulders and pull it closed around you.

Skip: Holding the jacket with tense fists.

011 · CPL

Hand-in-hand stroll

Hold hands and walk slowly side by side, swinging your arms a little and talking.

Skip: Walking in step like a march.

012 · CPL

Chest lean

Face each other. One partner rests their cheek on the other's chest and closes their eyes.

Skip: Leaning your whole weight in. Keep it soft.

013 · CPL

Hands on the face

Gently hold your partner's face in both hands and look into their eyes.

Skip: Squishing their cheeks. Fingertips only.

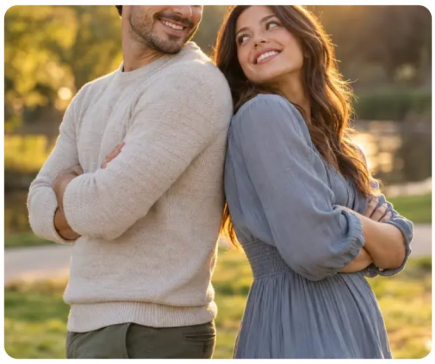

014 · CPL

Forehead kiss

Taller partner kisses the other's forehead. The other closes their eyes and smiles.

Skip: Craning your neck. Step closer instead.

015 · CPL

Back to back

Stand back to back, arms crossed, and look over your shoulders at each other.

Skip: Standing too far apart. Your shoulders should touch.

016 · WED

Bouquet at the hips

Hold your bouquet low, around your belly button, with elbows relaxed slightly out.

Skip: Holding it up at your chest. It hides the dress.

017 · WED

First look

Partner faces away. You walk up, tap their shoulder, and they turn around.

Skip: Rushing it. Take a breath before the tap.

018 · WED

Party walk

The whole wedding party links arms and walks toward me, talking and laughing.

Skip: Everyone staring at the lens.

019 · WED

Over the shoulder

Turn your back to me, drop your near shoulder, and look back at me over it.

Skip: Lifting your shoulder toward your ear.

020 · WED

Under the veil

Bring the veil over both your heads and lean in close, foreheads almost touching.

Skip: Pulling the veil tight. Let it drape.

021 · WED

V formation

Couple in the middle, wedding party angled out in a V on both sides.

Skip: Everyone standing in one flat line.

022 · WED

Dress swish

Grab the skirt on both sides and swish it gently as you walk toward me.

Skip: Lifting the skirt too high.

023 · WED

Ring hand on chest

Rest your left hand flat and relaxed on your partner's chest, ring facing me.

Skip: Curling your fingers into a claw. Keep them soft.

024 · WED

Bouquet bunch

Bridesmaids hold their bouquets together in the middle in one big bunch.

Skip: Holding them at different heights.

025 · WED

Window light

Stand next to a window, face the light, close your eyes, then slowly open them.

Skip: Turning your back to the window.

026 · WED

The dip

Partner supports your upper back and dips you back a little. Both smile at each other.

Skip: Dipping too far. A little goes a long way.

027 · WED

Toast to the couple

Party holds up drinks toward the couple, who laugh.

Skip: Holding glasses in front of faces.

028 · WED

Train spread

Stand still while I arrange the train. Look down at your bouquet, then up at me.

Skip: Shifting your feet once the train is set.

029 · WED

Just married walk

Hold hands and walk toward me, talking about how today feels.

Skip: Looking at the camera the whole time.

030 · WED

Lean in and laugh

Everyone leans toward the couple like they're telling a secret.

Skip: Leaning so far people block each other.

031 · MAT

Framing the bump

Turn 45 degrees. Rest one hand on top of the bump and the other gently underneath.

Skip: Facing the camera straight on. It hides the curve.

032 · MAT

Partner behind

Partner stands behind you and places their hands over yours on the bump.

Skip: Partner hiding behind your shoulder. Lean your heads together.

033 · MAT

True profile

Stand fully side-on, roll your shoulders back, and look down at the bump.

Skip: Leaning back to push the bump out.

034 · MAT

Big sibling

Big brother or sister kisses the bump, or puts an ear on it to listen.

Skip: Making them hold still too long. Let them explore.

035 · MAT

Face to the sky

Tip your chin up, close your eyes, and rest your hands under the bump.

Skip: Squeezing your eyes shut. Let them rest.

036 · MAT

Scan photo

Partner holds up the sonogram while you both look at it, then at each other.

Skip: Holding the scan up at the camera.

037 · MAT

Floor sit

Sit with your legs folded to one side, lean on one hand, and rest the other on the bump.

Skip: Sitting cross-legged. It flattens the bump.

038 · MAT

Partner kneels

Partner kneels and kisses or listens to the bump.

Skip: Partner covering the bump with their head. Stay to the side.

039 · MAT

Gown flow

Hold the edge of your gown out to the side and let it catch the wind as you turn.

Skip: Gripping the fabric tight. Pinch it lightly.

040 · MAT

Forehead touch over the bump

Face each other with the bump between you and touch foreheads.

Skip: Leaning in so far the bump squishes.

041 · MAT

Slow walk

Walk slowly with your hands under the bump and glance back over your shoulder.

Skip: Walking fast. Slow it right down.

042 · MAT

Hands together on bump

Both of you place hands on the bump, fingers loosely laced.

Skip: Pressing down. Soft hands.

043 · MAT

Heart hands

Make a heart shape with your hands on the bump.

Skip: Pressing in. Rest your hands lightly.

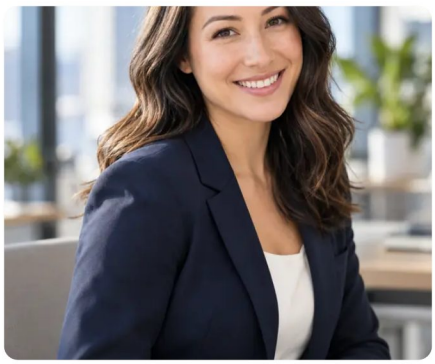

044 · MAT

Walking hand in hand

Walk slowly together, partner looking at you, you looking at the bump.

Skip: Walking fast.

045 · CORP

Classic headshot

Angle your body away a little, turn your face to me, and push your forehead slightly forward.

Skip: Square shoulders. It looks like a passport photo.

046 · CORP

Jacket button

Reach down to button your jacket and look at me while you do it.

Skip: Looking down at the button.

047 · CORP

Light hand near jaw

Rest your fingertips lightly near your jawline. Don't press. Angle your shoulders.

Skip: Propping your face on your hand.

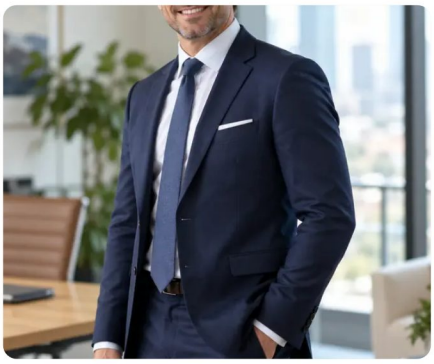

048 · CORP

Relaxed arms crossed

Cross your arms loosely with your hands showing, and lean your front shoulder toward me.

Skip: Gripping your arms tight. It reads as defensive.

049 · CORP

Hand in pocket

Slide one hand into your pocket with your thumb out, and put your weight on your back foot.

Skip: Both hands deep in your pockets.

050 · CORP

Confident stand

Weight on your back foot, one hand lightly on your hip, elbow pointed back.

Skip: Elbow pointed out to the side.

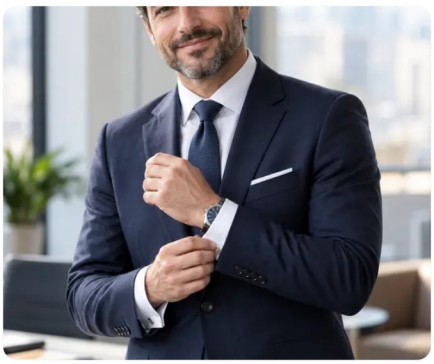

051 · CORP

Desk perch

Sit on the edge of the desk, one foot on the floor, hands loosely clasped in front.

Skip: Slouching back on the desk.

052 · CORP

Cufflink adjust

Adjust your cuff or watch and glance at me.

Skip: Staring at your wrist.

053 · CORP

Crossed ankles

Sit on the front of the chair, cross your ankles, and angle your knees away.

Skip: Sitting square to the camera.

054 · CORP

Walking through

Walk past me holding a folder or coffee and glance over at the camera.

Skip: Walking stiffly. Act like you're heading to a meeting.

055 · CORP

Tie adjust

Straighten your tie with one hand and look at me.

Skip: Tugging the tie tight.

056 · CORP

Blazer lapel

Hold one lapel of your blazer lightly and look at me.

Skip: Gripping the lapel.

057 · CORP

Mid-conversation

Tell me what you do at work like you're explaining it to a friend. I'll catch the moment.

Skip: Freezing when I lift the camera. Keep talking.

058 · CORP

Leaning back, ankle on knee

Sit back, cross your ankle over your knee, hands loosely together.

Skip: Slumping down in the chair.

059 · KIDS

Big jump

On the count of three, jump as high as you can!

Skip: Asking for just one jump. We'll do five.

060 · KIDS

The twirl

Spin slowly so your dress flares out, and finish facing me.

Skip: Spinning fast. It blurs the dress.

061 · KIDS

Peekaboo

Hide behind your hands or a tree, then pop out and say boo.

Skip: Waiting too long to pop out.

062 · KIDS

Number balloons

Hold the 1 and 6 balloons over one shoulder and look back at me.

Skip: Holding the balloons in front of your face.

063 · KIDS

Bubble chase

Chase and pop as many bubbles as you can.

Skip: Telling them where to stand. Let them run.

064 · KIDS

Crown moment

Adjust your crown or tiara with both hands and look up at me mid-fix.

Skip: Looking down at your hands.

065 · KIDS

Secret for the camera

Come up close and whisper a secret to the camera.

Skip: Adults hovering in the background.

066 · KIDS

Squad walk

Walk toward me with your friends in a line, full attitude.

Skip: Everyone walking in step like soldiers.

067 · KIDS

Favorite toy

Sit criss-cross and show me your favorite toy. Tell me its name.

Skip: Taking the toy away for clean shots right away.

068 · KIDS

Staircase sit

Sit on a step, spread your dress around you, and lean forward slightly.

Skip: Sitting back and slouching.

069 · KIDS

Run to me

Run to me as fast as you can, then stop when I say freeze!

Skip: Running on uneven ground. I'll pick a safe spot.

070 · KIDS

Runway stance

Hand on hip, weight on your back foot, chin slightly down, big confidence.

Skip: Locking your knees.

071 · KIDS

Stinky feet

I'll hold up my shoe and ask if it's stinky. Make your grossest face!

Skip: Saying 'smile'. It never works.

072 · KIDS

Runway walk

Walk toward me like you're on a runway. Cross one foot in front of the other.

Skip: Watching your feet.

073 · PLUS

The 45-degree angle

Turn your body about halfway away from me, weight on your back foot, front knee forward.

Skip: Facing me square-on with your weight on both feet.

074 · PLUS

Sit tall at an angle

Sit on the front edge of the chair, cross your ankles, and lean slightly toward me.

Skip: Sinking back into the seat.

075 · PLUS

Forehead forward

Push your forehead slightly toward me and tip your chin down a tiny bit.

Skip: Pulling your head back. That's the one that makes a double chin.

076 · PLUS

Hand on waist, elbow back

Rest your hand at your natural waist and point your elbow back, not out.

Skip: Pressing your arm against your side.

077 · PLUS

Side sit on the floor

Sit with your legs folded to one side and lean on your hand.

Skip: Sitting cross-legged straight on.

078 · PLUS

Look up at me

I'll stand a bit above you. Look up at the lens with a soft smile.

Skip: Lifting your chin too high. Just your eyes come up.

079 · PLUS

Arms with space

Let your arms hang a little away from your body, fingers soft.

Skip: Hugging your arms to your sides.

080 · PLUS

Knees angled away

Sit and turn your knees away from me while your shoulders face me.

Skip: Knees pointing at the camera.

081 · PLUS

Tongue to the roof

Press your tongue to the roof of your mouth while you smile.

Skip: Clenching your jaw.

082 · PLUS

Flowy walk

Walk slowly toward me and let your dress or skirt move with you.

Skip: Looking at your feet the whole time.

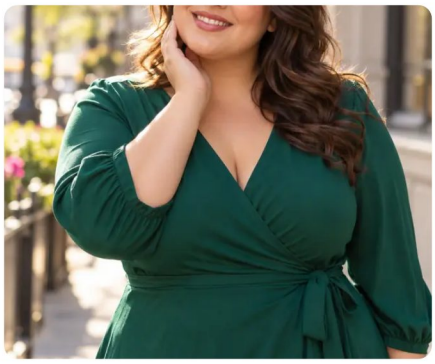

083 · PLUS

Leaning forward on knees

Sit and lean slightly forward, forearms resting on your knees.

Skip: Hunching your back. Lean from your hips.

084 · PLUS

Hand frame

Rest your fingertips lightly along your jaw, elbow down.

Skip: Pressing your cheek.

085 · PLUS

Wall lean

Rest your back shoulder on the wall and cross your front foot over.

Skip: Pressing your whole back flat to the wall.

086 · PLUS

Stair sit

Sit on a step, one foot lower than the other, elbow on the higher knee.

Skip: Both feet on the same step.

087 · GRP

The cluster

Everyone stands close, shoulders overlapping, with little ones in front or on a hip.

Skip: A straight line of people with gaps.

088 · GRP

Arm in arm

Link arms, lean into each other, and laugh at whoever's in the middle.

Skip: Standing stiff with arms at your sides.

089 · GRP

Staggered team

Tallest in the back middle, everyone angled toward the center, front row a half step forward.

Skip: One long row. Heads end up tiny.

090 · GRP

Walking together

Hold hands in a chain and walk toward me. Kids can swing between adults.

Skip: Telling kids to look at the camera. Just let them walk.

091 · GRP

Group jump

Everyone jumps at once on three. We'll go a few times.

Skip: Checking the photo between jumps. Keep going.

092 · GRP

Team walk

Walk toward me together, talking like you're leaving a great meeting.

Skip: Everyone in lockstep.

093 · GRP

Ground pile

Sit on the blanket. Kids sit in laps, everyone leans in toward the middle.

Skip: Adults sitting straight behind the kids.

094 · GRP

Shoulder lean line

Stand in a line and lean your head on the next person's shoulder.

Skip: Gaps in the line.

095 · GRP

V formation

Leader in front, team angled out behind on both sides.

Skip: Leader hiding in the back.

096 · GRP

Shoulder ride

One adult carries a child on their shoulders. Everyone else looks up at the kid.

Skip: Letting the child cover the adult's face.

097 · GRP

Couch pile

Pile onto the couch, legs and arms everywhere.

Skip: Sitting politely in a row.

098 · GRP

Arms crossed team

Everyone crosses arms loosely and angles toward the center.

Skip: Gripping arms tight.

099 · GRP

Tickle line

Lie in a row on your backs, heads together, and tickle whoever is next to you.

Skip: Waiting for kids to sit still.
